

# Goldstar **dumper bucket**

## Well-deserved gold-stars.

Sörling-Ilsbo's well-known Goldstar dumper bucket is the result of many years of experience and constant innovation.

A unique combination of smart design and high strength steel create a durable dumper bucket with a low weight. The sophisticated and stylish design also makes it easy to keep clean.

Together with thousands of satisfied users, Goldstar has transported mountains of rock and fully serves its name.

**GOLDSTAR**★
